INSTRUCTOR'S COMMENTS					
<p style="color: red;">We will cut for you for a \$5 cutting fee. Payable to teacher- pay at class or put cash in bag. We will need the fabric 1 week before class. If you cut yourself, follow directions carefully and be sure to cut accurately as a quilter cuts or the strips may not be straight and will not fit together properly.</p>					

**IMPORTANT: BEFORE CLASS INSTRUCTIONS**

1. A 10% discount will be given on all class supplies bought before and while the class is in session.
2. We will not call you to remind you of class times. However, you will be notified a week in advance if a class is cancelled because minimum numbers were not met. If you cancel, we MUST know a week in advance for your deposit to be refunded or transferred. Our teachers are paid by the student and we make every effort to fill each class. *Please do not bring children or visitors to class. Please turn off and do not use cellphones in class.*
3. We hope you enjoy your class and we always welcome your comments and suggestions. Thank you for supporting our quilt shop and HAPPY QUILTING!

You will need to bring students to class on the first day to check them in. After that you can just send them in if you choose. Please pick them up at the end of class. We are responsible for them and will not just turn them loose to meet you in the parking lot.
