The center blocks are made using 5” strips of fabric ranging in value from light to medium light and medium dark to dark. The border is made from 6-1/2” strips of the same medium dark to dark fabrics. The border can be scrappy or planned (as in the photo) to make the fabrics appear to continue behind the quilt. Day One of this two-day class will be spent on the center blocks; Day Two will focus on the borders.

Children choose their own fabric (front and backing) for this class. Fabrics for the front of the quilt will need to be purchased and cut before class. If you wish, a teacher will cut the fabric for you for a \$5 fee. **If we are cutting for you, we will need the fabric at least one week before class begins.** If you do your own cutting, be sure you cut accurately for your kid's success.

If you are not familiar with preparing fabric with Soft Fuse for appliqué, you can attend a short pre-class meeting on Thursday June 14 from 7-7:30pm to learn how. If this is a problem, you can email Emilee at dartgeo@yahoo.com to make other arrangements. Fabric will need to be cut before class. If you wish, we can cut it for you for \$5. We will need fabric at least 1 week before class. If you cut it yourself, be sure you cut accurately as a quilter cuts or the pieces will not fit together. We look forward to seeing you this summer!
